ANNOUNCEMENT

CareWorks Comp name change

*We are pleased to announce CareWorks Comp
is now Sedgwick.*

On March 1, 2021, CareWorks Comp officially became Sedgwick. Sedgwick's commitment to Ohio employers remains as strong as ever. With more than 3,000 colleagues in Ohio, we will continue to offer the best workers' compensation program solutions to help your clients mitigate risk and reduce workers' compensation costs. You can learn more about Sedgwick at sedgwick.com/ohiotpa.

Sedgwick remains committed to the OAHU workers' comp program which has enabled participating agent producers the opportunity to partner with the industry leader in navigating Ohio's workers' compensation system. This long-standing partnership helps your clients reduce claim-related costs and reduce premium while at the same time generating additional income for your agency.

If you are currently participating in the OAHU agent program and would like new applications (AC-3 forms) or are interested in more information about participating in the OAHU agent referral program please, email or call Bob Nicoll at Sedgwick.
