FREE March Webinar: Managing Workers' Comp in the Time of COVID-19

Everyone knows that these are “unprecedented times” and the pandemic has touched all of our lives in some way. We have gathered the current statistics on COVID-19 in OH along with the most frequently asked questions about how this pandemic impacts the way you manage your program. We will touch on topics from payroll reporting to claim allowance and issues involved with remote workers.

WHEN: Thursday, March 4, 2021 from 2pm-3pm EST

COST: FREE

To register, click [here](#).

This session has been certified by the Ohio Bureau of Workers' Compensation (BWC) for one hour of the two-hour safety training requirement for group and group retrospective-rated employers. To be eligible for the BWC safety training requirement credit, the attendee must remain in the session for at least 75% of the total session time.

Three business days prior to the webinar date, you will receive an email from seminarrsvp@sedgwick.com. The email will include detailed instructions on how to join the webinar along with a copy of the presentation (if applicable). Please be sure to add this email address to your Safe Sender email file to ensure receipt.

If the 75% qualification is met for workers' compensation, we will send a certificate of attendance via email within 3 business days of the session date.

Ohio BWC Safety Congress Registration Now Open

Registration is now open for the 2021 Ohio Safety Congress & Expo (OSC21)! Due to the ongoing COVID-19 pandemic, OSC21 will be a completely online event, including our first-ever digital expo.

Visit the [OSC21 website](#) for more information and to register for the event, which will stream live March 10-11, 2021. Now in its 91st year, the Ohio Safety Congress & Expo is the largest and longest-running regional occupational safety, health and workers' compensation conference in the U.S.

More than 4,000 representatives from Ohio businesses and government are expected to attend the event to discover the strategies and tools needed for a healthy, safe, and productive workforce. The event offers topics on organizational behavior, safety leadership, emerging trends, and mental health. Participants can visit the digital expo marketplace, compete in a scavenger hunt, download resources, earn attendance credit and chat with others.

Working from Home: Is Your Office Ergonomically Correct?

Watch this [video](#) from the Ohio BWC's Ergonomics Consultant Brad Ridenour on how to set-up your home office so that it's not putting unneeded strain on your back, knees or your eyes. Brad offers tips for safely setting up your home office with items you may have on-hand.

2-Hour Safety Training Requirement for 2020 Policy Year Deadline is 6/30/2021

2020 Rating Year—BWC Rule—ORC 4123-17-68

Group Rated and Group Retro Rated employers who have had a claim from July 1, 2018 through September 30, 2019, have to complete a required two hours of safety training by June 30, 2021. BWC's requirement applies to any allowed claim an employer had from 7/1/18-9/30/19, regardless of size or severity. Two hours is the minimum amount of safety training mandated by the BWC. Only one person from the employer needs to take this safety training. If an employer experienced more than one claim within this period, they are still only obligated to attend two hours of safety training. If an employer has

multiple policy numbers, they must attend two hours of safety training per policy. For more information about all the Ohio BWC's training opportunities, visit the BWC's Learning Center at: [BWC Learning Center Login](#)

Deadline extended for HVAC assistance program

The Ohio BWC has extended their deadline to apply for reimbursement for eligible expenses under their COVID-19 Indoor Air Quality Assistance Program to March 31, 2021. This federally funded program provides reimbursement for nursing homes, assisted living centers, and adult day centers that invest in air quality improvements that reduce the spread of COVID-19. This may include the costs of inspections, assessments, maintenance, and improvements to indoor heating, ventilation, and air conditioning (HVAC) systems. It also provides reimbursement for secondary devices designed to destroy bacteria, mold, and viruses. [Read more, including eligibility requirements, on the BWC's website.](#)
