Promoting the OAHU workers' compensation group rating program

TO: Ohio Association of Health Underwriters members

This is the perfect time of year for you to promote OAHU's workers' compensation premium savings program. The OAHU program can help your clients save as much as 53% on their workers' compensation premiums. Sedgwick is honored to be OAHU's workers' compensation program administrator.

For Sedgwick to provide your clients with a premium savings quote, Sedgwick needs to file a BWC Temporary Authorization to Review Information form (AC-3). This Ohio Bureau of Workers' Compensation (BWC) form allows Sedgwick to evaluate your clients for placement in the OAHU workers' compensation program.

Program promotion is a key contributor to a successful program. Sedgwick is accepting AC-3 forms through October 31. **The 2023 group rating program enrollment deadline is November 21, 2022!!**

We encourage you to promote the OAHU workers' compensation program.

If you would like program information or need AC-3 forms, please feel free to contact Robert Nicoll at 330.418.1824 or via email at robert.nicoll@sedgwick.com.
