

# Helping Ohioans with Healthcare Benefit **Choices**

---

**NAHU Power Hour  
Every 4th Wednesday  
7:00 PM - 8:00 PM**

There is a group of NAHU members from across the nation, who have been meeting regularly via zoom since the pandemic. They have had as many as 80 attendees and as few as 12 at various times. It's been a way to stay connected with friends and colleagues and a way to share thoughts and share challenges. This has parlayed into the NAHU Power Hour, as a membership recruitment and retention event. We are asking you to attend tomorrow's event if possible. As of this morning there are 175 people registered.

What to expect:

- Fast, paced, one - on - networking opportunities with NAHU leaders, adviser peers, solutions experts and everyone in between.
- Conversation starters to discuss key challenges and opportunities impacting your business.
- Completely new twist on traditional virtual networking - *you'll have to join us live to experience the fun, new concept!*
