

**Enhance your revenue stream through the OAHU Workers' Compensation Group Rating Program.**

**Please Visit <http://ohioahu.org/membercenter/CCI/index.asp> for more information.**

**OAHU has an avenue for our members to make easy money. Through OAHU'S partnership with CareWorksComp you can earn 31.25% the first year and renewal commissions (paid on the service fee charged to the client) when your group clients enroll in CareWorksComp Worker's Compensation Group Plan.**

**All of your eligible customers, large or small, can benefit from Workers' Compensation Group savings, and you can also make money by assisting your clients that are ineligible due to claims history to become eligible (CareWorksComp does all the work). We have attached a sample letter from a successful member that he has used in his campaign to help his clients save money as well as a sample letter given to OAHU from CareWorksComp**
